BLONDOR

BLONDE SEAL & CARE unbelievable brilliance

Conditions by lightening the hair and gives shine. Essential post-clearing treatment, specifically formulated for lightened hair posing a particular pH, gives Baker great brightness.

EXTRA COOL BLONDE POWDER

Not just a lightening, but rather a unique blend of brightening and colour for a blond visibly clearer and fresh. Up to 7 levels of lift.

directions for use: to use pure or as support to MULTI BLONDE POWDER. Suitable for pre-treated hair color (from 4-8 tones) and not.

SOFT BLONDE CREAM extremely nice

Gentle to the skin, reduces the phenomenon of hair breakage. Active lipids surround the hair shaft, protecting it from moisture loss. Up to 7 levels of lift. Recommended for techniques to root.

BLONDE STREAKS

Whitener at progressive development recommended for foil techniques. Auto-control system for a consistent and reliable discoloration. Ammonia-free.
