REVLONISSIMO NMT - GEL CREAM COLOR
REVLONISSIMO NMT - CREME GEL COLOR

is a new concept of permanent staining : the nano-molecules of soy protein regenerate the keratin in depth, while the nanomolecola Hydro- betaine hydrate the cuticle and the cortex ; thanks to the controller of the process of oxidation (DMT) colored pigments penetrate more deeply and in greater quantities for a color brighter and more durable. Finally, the nourishing and hydrating properties of the formulation to protect scalp and make the hair soft, shiny and easy to comb, for an effect like no other.

Shades available in 87 colors divided into series: NATURAL BLOND EXTRA CLEAR, GOLDEN, BEIGE, GOLDEN PEARL, TOBACCO, COPPER, RED, BURGUNDY, BROWN, PEARL, iRise, ASH, ASH NATURAL & sbquo, SUPER NATURAL

box: 50 ml tube
