COLOR- TON' MAGIC TOUCH' WITH HERBS COLOR-TON "TOCCO MAGICO" ALLE ERBE

cream dye

It is a dye which, thanks to the wording ultrasafe, also suitable for more delicate skin, does not cause burning or tingling even with the use of series superlightening involving the use of oxidants up to 40 vol. Thanks to the direct color, with the normal range of color and dyes 3/4 tones, while the series with super- lightening lightening thrusts allows for up to 7/8 tones by using oxidants to 40 vol without the slightest damage to the structure of the hair. This is possible because the protective substances contained in COLOR HERBAL MAGIC TOUCH TON allow its use in safety even at high volumes. He owned antispot, leaves no traces of dye on the scalp after application.
