AFREA OXY

Formulated to ensure the best performance of AFREA AMMONIA FREE COLOR and BLEACHING POWDER, AFREA OXY has a wonderfully creamy texture and provides a conditioning effect due to the highly lipophilic substances eudermiche that do not alter the balance of the scalp. Enriched with Jojoba Oil, Argan Oil and Silk Protein helps to protect and moisturize the hair and scalp during coloring and bleaching for a perfect final cosmetic result. AFREA OXY is available in 20, 30 and 40 volumes and has a pleasant scent of gooseberry.

box: 1000 ml bottle.
