PERMANENT BLACK PERMANENTE BLACK

The new

PERMANENT BLACK allows you to get a curl elastic and a ripple perfect and long lasting, even on already processed hair ; leaves hair soft and fragrant. Thanks to its special formula, gives vitality and volume to the hair also very thin, with no damage and does not cause the formation of split ends. The new BLACK PERMANENT does not contain thioglycolic acid and therefore does not pinch and is less irritating to the skin.

- is available in two versions:
- STRONG natural hair
 - LIGHT hair colored or treated
- box:** 500 ml
