BULBO SHAP: TRATTANTE

• SHAMPOO ENERGISING HELPING

FALL - pH 5.5 with an extract of Achillea

Used continuously protects and strengthens the hair for adjuvant action. Gently cleanses the hair for the presence of extract of Achillea, balances the scalp.

• Purifying anti-dandruff Shampoo - pH 6.5 with an extract of Arnica

Used consistently gently cleanses the skin, freeing it from any type of both dry and oily dandruff, no rebound. The extract of Arnica provides a toning of the skin and scalp.
