Ancient

organic ingredients combine with advanced American technology to create a line healthy and rich in nutrients. The two-phase complex is designed for all types of hair and skin, to give shine to the hair that are fed, rebuilt and volumized. The product also helps in the treatment and prevention of split ends without adding weight to the hair.

method of use : shake the bottle to mix the two phases in a uniform manner. Put a small amount on the palms and apply from the scalp to the ends evenly. Can be used on wet or dry hair.
