RE : NU
anti-aging treatment

Sharpen graying, loss of density, the change in the structure.

RE : NU SERUM

It slows down the process of graying, hair becomes soft, silky. Create the optimal environment to grow healthy, shiny and the hair becomes radiant.

RE : NU SOFTNESS & MANAGEABILITY SHAMPOO

Moisturizing shampoo. Gently cleanses, strengthens the hair, leaving it more resistant to breakage, prolongs the longevity and vitality of colored hair.

RE : NU SOFTNESS & MANAGEABILITY CONDITIONER

Innovative pre- styling : smoothes, softens and protects the surface layer of the hair, creating the ideal base for styling.

RE : NU Fullness & BODY SHAMPOO

Revitalizing Shampoo. It gently cleanses the scalp hair thicker and shiny. Extends the color.

RE : NU Fullness & BODY PRIMER

Innovative pre- styling, gives body and structure the limp hair, creating the ideal base to build style and body. It offers a significant UV protection.

RE : NU CONTROLLING CREAM

It is a cream that provides support, control, thermal protection and manageability.

RE : NU LOTION Bodifying

Lotion for body and hair ends. Defines and protects the hair.

RE : NU VOLUMIZING FOAM

Foam sealing media. Create a flexible volume, light weight.

RE : NU STYLING & FINISHING SPRAY

Lacquer light by holding flexible and adaptable. It gives the body luster, resistance to moisture.
