K05 - TREATMENT SEBUM -NORM

K05 - trattamento sebo-norm

K05 is designed for those who want to fight effectively trace of greasiness of hair typical of excessive production of sebum due to imbalance in the scalp of endocrine origin, poor diet or stressful events, able to affect the activity, sebaceous glands. For best results we recommend a synergistic use of the three products every three months.

The line consists of:

- **SEBUM-BALANCING SHAMPOO**
- **SEBUM-BALANCING LOTION**
- **DROPS PRE- TREATMENT AGENTS**

method of use : for action shock: Lotion SEBO - NORM: two applications per week for 6/12 weeks; Shampoo SEBO - NORM: two washes per week for 6/ 12 weeks. For an enhanced intervention : pre- treating drops : two applications a week before the shock treatment.
