### MV HEALING - ANTISEBO MV CURATIVI - ANTISEBO

#### • TREATMENT ANTISEBO

The innovative treatment MedaVita based on saw palmetto is enriched by the presence of trace elements, valuable for their anti-aging properties. The clinical verification has demonstrated the effectiveness of the treatment in normalizing the sebum production of the scalp in 4 weeks. The active sebum - balancing, purifying, anti-oxidants and vasostimolatori bring immediate benefits.
