PH: BIVALENTE CUTE AND LENGTHS

PH: BIVALENTE CUTE E LUNGHEZZE

treatment designed to normalize the pH of the hair and restore the optimal balance between cute and lengths.

S | 7 pH shampoo

Specific shampoo and conditioner from the dual balancing action. Rich in vegetable protein and vitamins, it facilitates the complete closure of the scales, making the hair fiber remarkably smooth and easy to comb. The extract of grapefruit skin and free from any kind of impurity lengths. A surfactant-based ultra- sensitive SLS free. Daily use.

box: bottles of 200 and 1000 ml.

C | 7 CONDITIONER pH BALM conditioning balm

Balsamo indicated for rapid action detangling and softening. Combined with pH Shampoo restores the normal balance between cute and lengths. Extract Grapefruit promotes the closure of the cuticular scales, making the hair extraordinarily smooth, shiny and easy to comb. Specific active ingredients give strength and volume while protecting the lengths from the heat and from any form of electrification. Daily use.

box: 200 ml tube and 750 ml bottle.
