S -FACTOR S-FACTOR

S-factor makes the hair silky, shiny, soft, seductive. He fights moisture, gives shine, keeps the color and gives strength to the hair, enhancing their look.

SMOOTHING SHAMPOO

It is the first step to having hair soft and shiny. Gentle shampoo enriched with Pro Vitamin B5 Complex to give deep hydration and soften dry or damaged hair.

method of use : complete treatment with Smoothing Conditioner.

SMOOTHING CONDITIONER

brightness and hydration

A moisturizing conditioner that does not weigh down, closes the cuticle preventing split ends and maintains hydration. Enriched with vitamins, Avocado and Jojoba Oil nourishes hair from the inside, making them healthy and shiny. Ideal for dry hair that tends to frizz.

method of use : use every day after Smoothing Shampoo.

SMOOTHING LUSTERIZER

frizz and disciplining

Smoothing Lusterizer is a real luxury for your hair. Designed to lock the natural moisture of the hair while humectants control spikes and electrified fluttering caused by moisture. This lotion contains mica ideal for stylizing hair shiny.

method of use : for everyday use on dry or wet hair.
