MILK_SHAKE ARGAN DEEP TREATMENT

deep treatment for all hair types

nutrient formula specifically to eliminate frizz in all types of hair: seals the cuticle and makes it soft, shiny and easy to comb while preserving the integrity of the color.

Formulated with :

- urea humectant that provides continuous hydration to the skin and hair by maintaining the water balance longer ;
- quaternized wheat proteins to restructure the hair from the inside out in a very profound and instantaneous, eliminating the effect of the frizz, increasing resistance to chemical treatments, improving combing and giving brightness, softness and softness ;
- Organic Argan Oil which, thanks to its nourishing, restorative, anti-aging and protective properties helps keep the hair soft and shiny ;
- panthenol (pro-vitamin B5), which moisturizes, conditions and helps to reduce the formation of split ends ;
- Vitamin E with antioxidant and protective action.

method of use : Deploy on clean hair, massage. Leave on for 3 to 5 minutes, comb through and rinse.
