HAIR DRYER GHIBLI / SCIROCCO / GHOST ASCIUGACAPELLI GHIBLI / SCIROCCO / GHOST

dryer Ghibli

The only hair dryer which dries the hair with hot air sucking, without the use of the towel. During the suction phase releases a warm sensation on the skin that also meets the most demanding customers. Improves hair shine. Cycle air : the air sucked through the gap filler is heated thanks to an internal resistance, only to be released onto the skin giving a pleasant feeling of warmth.

- Completely eliminates the blowing debris and impurities between the scales of the hair, giving them shine.
- With its unique drying by suction restructures the hair scales.
- Eliminating the use of wipes eliminates static electricity that is triggered by friction during drying with traditional methods : moreover, drastically reduces the cost of drying.
- No rinsing can give best result.
- Ideal to reinforce the learning.
- Environmentally friendly and economical, it reduces labor costs.
- Reduces drying time of the fold.

Also available with GHOST wet vacuum cleaner collected directly inside the cabinet divider between washings to eliminate the dimensions and highly muted to give more relaxation in the salon.
