KITOKO
advanced hair therapy

For thousands of years, African healers employ unrivaled nutritional virtues and qualities of medical Shea to treat hair and skin. Its oil has been mixed with that of the famous North African Argan tree to get the ultimate in rejuvenation and reconstruction capillary.

OIL TREATMENT

based on argan oil and shea

Rich in antioxidants, Vitamins A, E and Omega Oil, the mixture is easily absorbed both by the hair from the scalp without adding weight, adding elasticity and shine. The treatment not only helps renew tired hair, but it helps neutralize free radicals and protect against chemical and environmental damage. Suitable for all hair types, relieves dry skin, protects against UV rays, reduces drying times and fights frizz.

Instruction to use : Massage a few drops of product in the palm of your hand and apply to damp or dry hair. Proceed with styling.

box: and 95 bottles of 10 ml.
