SAMURAI EDGE CUTTING SCISSORS SAMURAI CUTTING EDGE SCISSORS

scissors in Japanese stainless steel, available in three ranges.
All scissors come with 12 months warranty.

CLASSIC: Scissors Japanese stainless steel of the highest quality (J440C). The blades are convex for greater cutting precision. The range also includes scissors for lefties.

FUSION: This collection stylish jacket is finished with an attractive multi-colored, patterned Japanese stainless steel (J420C). The design is ergonomic, easy to use and aimed at the professional. Innovative anti- allergic nickel-free.

MATRIX: The range of Matrix combines technology with a nice glossy finish. Scissors ideal for beginners in the profession and is still fledgling.
