DEKOLOR decolorizing
 Keramine H Professional Dekolor is a professional hair color remover. It is designed to safely and effectively remove unwanted hair color, including permanent and semi-permanent dyes. The product works by breaking down the color molecules on the hair shaft, allowing them to be washed away. It is suitable for all hair types and colors, and it does not damage the hair. The product is available in two sizes: 250 ml and 500 ml. The 250 ml bottle is suitable for short to medium length hair, while the 500 ml bottle is suitable for long hair. The product is easy to use and does not require any special tools or equipment. It is a professional-grade product that is used by hair stylists in salons and at home. The product is available in various shades, including black, brown, and blonde. The product is also available in a kit that includes the product, a brush, and a comb. The product is a must-have for anyone who wants to change their hair color without damaging their hair.
